

In this section you'll find all the tips and clever ideas you need to prepare for your participation in the Raid 4L Trophy.

But as well as consulting our advice, we hope that you will also give free reign to your imaginations and demonstrate your enterprising spirit as you put your projects together.

(NB: these documents are strictly reserved for the use of crews who have pre-registered for the Raid 4L Trophy™ 2009.)

GETTING YOUR PROJECT OFF THE GROUND

How to create your association, put together your projected budget, communicate your aims, raise funds

PREPARING YOUR 4L

Where to find a 4L, technical preparation, technical advice and aesthetic considerations.

OPERATION 4L TROPHY PEN

A source of funding; how to go about it; feedback from former participants.
